

EVTA/AEFP

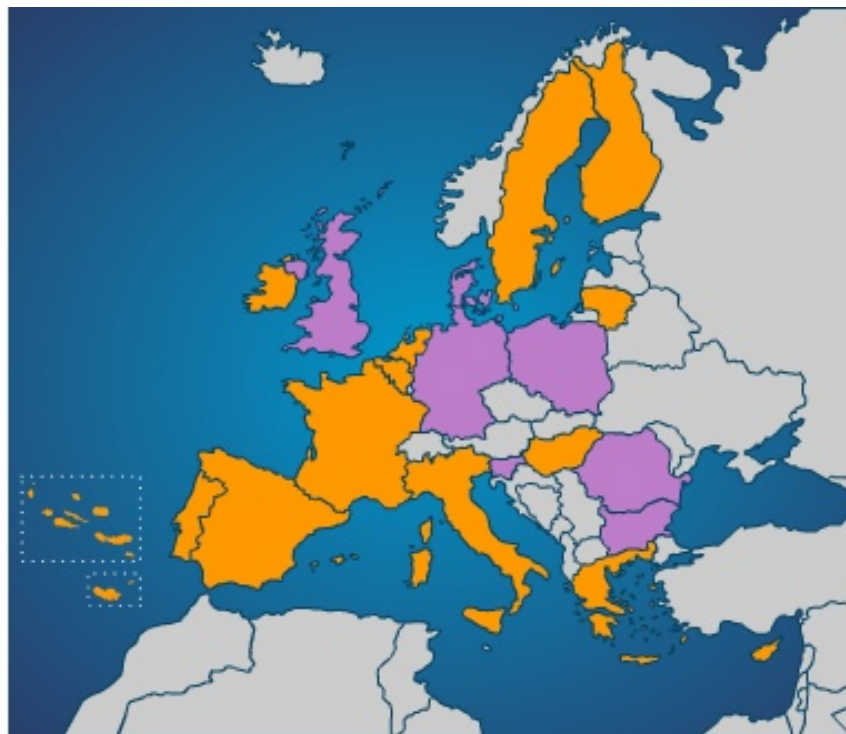

The European Vocational Training Association

www.evta.eu

WHO IS EVTA?

- EVTA is the **European Vocational Training Association**
- EVTA works for the **educational and training needs of the people and the welfare of the workers**, helping vocational training providers and public administrations to network for cooperating in the face of globalization and industrial changes.
- EVTA is a **broad network and also a group of experts** in mobility, lifelong learning strategies, languages and experts of different professional sectors and it aims at supporting and guiding its members towards a more efficient and sustainable knowledge economy.
- **Our community is open to everyone interested in LLL and VET.**

EVTA's work with regions

Shared area of interest: *Lifelong Learning , local policies and development of Human resources, competence based approach, basic skills*

Ongoing work:

❖ **Going Local Project:**

- 01/12/08 - 01/12/09
- A "working network" between Regions and EVTA in a framework of Mutual Learning
- *Objective:* to carry out research and to organise and disseminate the most successful experiences (political, regulatory, organisational) in the context of training carried out as part of local development policies and active labour policies.
- Participation of the "Community of Valence"
- Dissemination conference 25 November 2009

EVTA's work with regions

❖ Restructuring Toolkit Project:

- 01/08/09- 01/02/10
- EVTA/EURANEC project
- Objective: to capitalize research work, forums, seminars and EU legislation. And to organize concrete recommendations, tools and strategies in the form of user-friendly fiches to be used on a day to day basis.

❖ EVTA working group “Upskilling of workers”

- Created in 2008.
- Competence based approach
- Focus: car industry, environment jobs, the ageing population inside training organizations and guidance role of training centres.

❖ EURANEC (*The EUROpean network of regions for the Anticipation of Economic Changes*):

- *EVTA contributed to its creation in 2007;*
- *Dissemination of EURANEC activities through EVTA website;*
- *2 projects: INTERREG IV. Restructuring Toolbox.*

EVTA interest in the conference

❖ *News Skills for news jobs:*

- *Shared area of interest for all EVTA members (training organisations)*
- *Basic skills*
- *Future skills (Commission recent sectoral analysis of emerging competences and future skills needs)*
- *Competence based approach*

❖ *Health and well-being at work:*

- *Recent area of interest*
